

WASATCH FIGURE SKATING CLUB VOLUNTEER SURVEY AND CONTRACT

Dear Parents and Adult Club Members,

The Board of Directors of the Wasatch Figure Skating Club would like to thank you for your continued support that has made our test sessions, competitions, shows and other events run so smoothly. When many people volunteer for a few hours each the incredible work load associated with hosting test sessions, competitions and shows is shared, making it easier for the club to produce better quality events. We've also seen a significant boost in club participation from those who haven't had the opportunity of getting involved due to time constraints or other matters. Thank you for your support as we continue to build this club so that the skaters may benefit from their membership for a lifetime. As a continued effort to promote teamwork and teach our junior club members leadership, we've created a volunteer survey that will help us determine where you might be most needed as we start planning our events for 2015-2016.
